Two Trustee Positions

Absentee Ballots available at the Village Office.

**** REMINDER! ****

No signs allowed on Village property (includes Park) per Section 507.B.2 of Zoning Law as Amended October 29, 2018

Al Mothershed

The Village of Leicester lost a valued employee and a great friend. Al has served as the Village Water Operator since 2011. He has also held other positions in the Village including Code/Zoning Officer, Assistant Dog Control Officer and Custodial Worker. Al would often be seen walking his dogs around the Village and will be greatly missed.

Questions or Concerns? Please call the Village Office 382-3699 or Mayor Barry Briffa directly 748-4509.

Office: 52 South Parkway, Leicester NY 14481

HOMETOWN HEROES

Banner Program

The Village is pleased to be launching the program again next Spring in time for Memorial Day! Each individual banner will be to honor a specific "Hometown Hero" who has served or is currently serving our country. The red, white and blue banners feature the name of the service person, their branch of service, era of service and a service photo of the veteran or service member. The banner will be the same design on both sides. The number of banners we put up is limited. If you are interested in recognizing your special Hero in this program, applications and more information is on the Village's website and Village office.

Submission Deadline: April 1st.
